Internet Use Agreement for Cosgrove School students

Please read this through carefully with your child and sign the reverse.

These are the important rules I must follow:

1. I cannot use the Internet at school without signing and handing in the Use Agreement.
2. School computers are to help me with classroom learning. They are not for play.
3. It is important to keep safe while using the Internet and email. This means I must follow the school's rules.
4. The only time I can use the Internet and email at school is when a teacher is supervising me.
5. I am not allowed to try and look up things on the Internet which I know are not for children. This might be pornography, or information which is dangerous. Some of it is against the law. (If I do not understand I will ask my teacher.)
6. I must be sensible when using the Internet and other communication technologies. I know that I must not do anything that would hurt me or someone else, even as a joke.

I agree that:

I will take care of our computers:

- I will not damage any equipment or furniture.
- I will not use any school computer for arcade-style games.
- I will not copy any software.
- I will not bring software from home to use on a school computer.
- I will not print anything without the permission of the teacher.
- I will use disks only to back up work or to take work home/back to school.

I will be considerate of other users:

- I will not monopolise equipment – I will share.
- I will not deliberately disrupt the computer or the school's network.
- I will not be involved in electronic vandalism, like viruses.
- If I accidentally come across dangerous, mean or rude material I will immediately tell the teacher, without showing any other students.

I will look after myself sensibly:

- I will not give anyone on the Internet information about myself or others – this includes addresses and phone numbers.
- I will tell the teacher if I come across any problem or if I am not feeling safe.

I understand that if I break this agreement in any way I may lose the right to use the Internet and computers at school. As well, the school may tell my parent/caregiver and may also take disciplinary action against me.

I understand that these rules apply to the use of any Information Technologies (e.g. Mobile Phones) that allow me to communicate with other people.
